Examiner's Amendment

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Bhavani Rayaprolu, Reg. No. 56,583 on May 31, 2006.

The application has been amended as follows:

In claim 22, line 2: after "parts of source code" delete "is" and insert -- are --

In claim 24:

line 5: after "at least one or more of the following:" delete " , "

line 18: after "a management service component that" delete "uses" and insert -- configures itself based at least on --

In claim 36, line 8: after "physical resources using a" delete "URI" and insert -- Uniform Resource Identifier (URI) --

Examiner's Statement of Reason(s) for Allowance

2. Claims 1-22 and 24-40 are allowed.

3. The following is an examiner's statement of reasons for allowance.

The prior art of record, i.e., Ravindran, taken singly or in combination, fails to teach or suggest a computer implemented model-based management system and a computer-readable medium having computer-executable instructions that facilitates a model-based management system for managing an application or service, the systems comprising a description component and a management service component as recited

in independent claims 1 and 40. Specifically, Ravindran fails to teach or suggest a management service component that configures itself based at least on the description component during installation of the application or service.

Independent claim 24 recites similar core features of claim 1.

Ravindran, taken singly or in combination, fails to teach or suggest a method of model-based management for managing an application or service and a computer-readable medium having computer-executable instructions for performing the aforesaid method comprising the steps as recited in independent claims 27 and 38, respectively.

Ravindran, taken singly or in combination, fails to teach or suggest a model-based management system for managing an application or service comprising the means as recited in independent claim 36.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
